

Christian support group

We currently help lead a mid-week group including adults with learning difficulties in which we share our news, worship, think about topics in the Bible and pray. This meets in Redland.

This group helps us with our [celebrations](#) at the Tithe Barn.

We all benefit from making this less complicated than it sometimes is in mid-week groups! We use an easy to read version of the Bible, sometimes add signs to songs and often have activities to do. We sometimes meet with other groups connected to [Livability](#) .

We plan to have another group based at Fulligrove House - details are yet to be finalised. Please do contact us if you are interested.
