

Julian of Norwich – God is supreme power, supreme wisdom and supreme goodness/love.

Julian has much wisdom to share with us. She says that many people believe that God is all powerful, and that He is all wise, but the hardest of these three truths for us to really grasp is that God is all love – and that He loves each one of us so much.

From “Revelations of Divine Love” by Julian of Norwich (the first known woman writer in English) Short Text chapters 22 and 24 in particular.

Her most quoted saying is “All shall be well, and all shall be well, and all manner of things shall be well.” (Long Text chapter 27).
